

a story of
SUCCESS

Brennan HS HOSA, San Antonio, TX

Total Sales: **\$8495.00**

Profit: **\$4247.50**

Congratulations!!!!

They used the funds to purchase scrubs for every student in the program.

Despite the fact that the fundraiser was optional for all students in our program to participate, it was definitely a success. It was our first year having this type of fundraiser and involving our entire program. I strongly believe that our sales can easily double if we made it mandatory. Thank you for your patience and prompt response when we needed your help. Look forward to working with you again.

Christina Granado, Advisor
